

RACES AND GAMES DAY

Last summer the weather cooperated for the much-anticipated return of Races and Games Day. Over 50 Beachers aged 2 to 12 participated in a variety of fun and games - from the obstacle course to the potato sack race to the crowd-pleasing candy toss - tons of fun was had by all. While the scores were close, Team Blue prevailed!

We are looking forward to another morning of silly events and games at the 2023 Races & Games Day, to be held this summer on **Saturday, July 29th at 9:30am** in the Tout's Grove Churchyard.

Races & Games Day is for children aged 5 to 12, but not to worry, there will be activities for the under 5 crowd as well. We might even have an event or two for the parents this year, so come ready to participate!

We are looking for some enthusiastic teenagers to be group leaders. Being a group leader is a great way to meet other kids your age and get your community involvement hours. If interested, please contact us directly.

Hope to see you there!
