

## BRUCE BEACH HOCKEY

After a 2 year Covid hiatus from our annual Thanksgiving Day hockey game, we were back on the ice on the 11th of October 2022, in Ripley. What made this game memorable was Adrienne Corneil dropping her stick and gloves before the opening faceoff and challenging Audrey Brisbin to a dust up! Poor Audrey was gobsmacked as she is a figure skater and not used to any physical violence! Fortunately, the referee intervened before any punches were thrown! It was a spirited game with the red team winning by 2 goals.
